LocalFiber Farms and Artisans Profiles present additional information about member businesses. A profile page offers more space to describe your farm/business and what you offer for sale, as well as a space for brand graphics, images of your products, animals, etc. With a LocalFiber Profile page you will have your own localfiber.org web address:

<https://localfiber.org/YOURBUSINESSNAME>. For some members this has served as a valuable home base on the web.

Only available to Full Members. Initial set up: \$55.
